

Cyber Security Community Update

Greetings,

Should you be the lucky one to win a massive Lotto jackpot, inherit a vast estate or just shrewd enough to have made money on the stock market, would you re-invest all your gains in a single portfolio or institution?

Chances are you will have the sense to diversify your risk. The same mindset should be in place when backing up your valuable data bases.

#ProtectionInThePack

Yours Securely,
The Wolfpack Team

In This Edition:

- All Your Eggs in One Basket
- CyberGym Training Update
- News Updates
- Scam Alert
- High Tech Security Solutions

All Your Eggs in One Basket

April 1st was April Fool's Day, while March 31st was **World Backup Day**. We trust you were not a victim of the first and celebrated the latter with a proactive programme.

Visit our blog to [read more](#).

CyberGym Training Update

Wolfpack is hosting **real time, real life cyber defence training** in a secure environment. Attendees so far have given the courses a very positive rating. **Cyber Defence Essentials** will be running from the 24 - 25 of April. Book early as places are limited.

Check out the available courses and further info [here](#).

News Updates

See below for interesting news articles for the month of **March**, with corresponding links:

1. Even old, trusted employees can hurt you badly!

- [The Hacker News](#)

2. Cloud data centres and **bandwidth requirements** - [TechTarget](#)

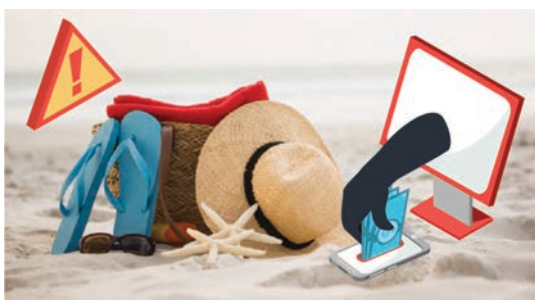

3. There is **HOPE** for South Africa. Please watch this touching video. Villagers doing it for themselves. - [BBC](#)

4. **Insurance Companies** collaborate to offer cyber security ratings - [SC magazine](#)

5. CrowdStrike: Cybercrime groups **joining forces** to pack more punch - [Tech Target](#)

Scam Alert

Vacations coming up, **BEWARE!** Check out this short video and article on travel scams. Valuable info.
