Cyber Security Community Update

Greetings,

Januworry is over! The long haul to the end of the year now begins and we wonder what (Cyberally) it will bring.

Life continues, social media continues, but have we sat back and thought about the risks that our smartphone/devices bring to our lives?

Show us someone who is not connected to WhatsApp, WeChat and the likes and it will be will be extremely surprising.

#ProtectionInThePack

Yours Securely,

The Wolfpack Team
