## Hello Cyberwolves

This week we will be talking about cyberbullying and the consequences of it. We have created a survival guide to help those if or when they experience cyberbullying.

## NEWS

Please take note of this very important report that was released on 24th February 2021, where our country's risk managers and top analysts put a lot of effort into putting this together. There is also input from senior leaders in SA – FNB / JSE CEOs, Jonas Mcebisi, Clem Sunter etc. Jeremy Maggs hosted the online launch to unveil the report. Craig Rosewarne, MD of Wolfpack Information risk, was approached to cover the Cyber Risk section and ran the Cyber Risk masterclass training to IRMSA members. See pages 58-59 + 102.

## COMMUNITY

Remember that you may protect yourself and your loved ones from cyberbullying with the help of the Protection from Harassment Act, 2011 (Act 17 of 2011). The act protects those who are victims of cyberbullying and harassment. Victims of cyberbullying may also apply for a protection order at their local Magistrate's Court. Stand up for your rights, protect against cyberbullying.

## GENERAL

### Cool Tech

Are you always losing your keys? Want to make sure you can find your bag if it gets stolen? Well Vodacom have just released a device that will make your life easier and the call it the Curve. The Curve weighs around 30g and is 42mm wide, perfect for attaching to your keys or for hiding it in your bag.
