
The Howl

November 2020

"The wolf howl is a distinct call to action for the pack over vast distances or to summon members when attacked."

Greetings cyber wolves,

This week we are wrapping up **CSAM 2020** with a **free** booklet.

We are also unlocking the job market now, we hope this will become a great resource to help South African companies find resources and improve employment in the local cybersecurity market.

#protectioninthepack

The Wolfpack Team

CSAM 2020 Guide

We have reached the end of our CSAM 2020 campaign and have created a booklet that you can use at your office or at home for personal use.
