Week 1 National Cyber Security Awareness Month

Greetings Reader,

October is **National Cyber Security Awareness Month**.

This month the focus lies on three main points: **Own IT, Secure IT and Protect IT**.

This week 1-4 Oct. (**Week 1**) we focus on:

Own IT. - **Never Click and Tell:** staying safe on social media.

Secure IT. - **Shake Up Your Passphrase Protocol:** create strong, unique passphrases.

Protect IT. - **If You Connect, You Must Protect:** updating to the latest security software, web browser and operating systems.
