Week 3 National Cyber Security Awareness Month

Greetings Reader,

October is **National Cyber Security Awareness Month.**

This month the focus lies on three main points: **Own IT, Secure IT and Protect IT.**

This week 14-18 Oct. (**Week 3**) we focus on:

Own IT. - **Keep Tabs on Your Apps:** best practices for device applications.

Secure IT. - **Shop Safe Online.**

Protect IT. - **If You Collect It, Protect It:** keeping customer/consumer data and information safe.
