
The Howl

**October
2020**

*"The wolf howl
is a distinct
call to action
for the pack
over vast
distances or to*

summon members when attacked."

Greetings cyber wolves

Our updates are here to protect your company & keep your cubs safe:

- **Cyber Security Awareness month** - free content to use in your October awareness programme
- Community site **Alert Africa launches its Marketplace** today - bringing cybersecurity buyers & sellers together on one platform

The Wolfpack Team

What have you planned for this October's International Cyber Security Awareness month?

Been too busy? Left this to the last minute? Don't panic - we have your back!

Every Wednesday we will be releasing **free** content via our website, email newsletter, social media & uploaded to the resources section of Alert Africa. See below for our 4 themes covering:

- Week 1: Protecting your family online
- Week 2: Protecting your devices
- Week 3: Protecting your apps
- Week 4: Protecting your personal information

Keep an eye out for our weekly updates. Email awareness@wolfpackrisk.com if you are looking for a tailored solution for your company.

Keep an eye out for our weekly updates. Email awareness@wolfpackrisk.com if you are looking for a tailored solution for your company.

The Alert Africa Marketplace launched today!

The AA Marketplace is an African-focused site bringing cybersecurity buyers & sellers together on one platform.

Step 1: Sellers (Vendors / Distributors / Resellers / Consultancies & Contractors) can create a one page listing in the company directory. Register for your free Leopard package here: <https://alertafrica.com/register/>.

Step 2: Want buyers to easily find your solutions? Map your offerings to 90+ categories of solutions (from Awareness to Incident Management to Wireless Security). We offer these cost-effective packages to give your solutions increased brand exposure:

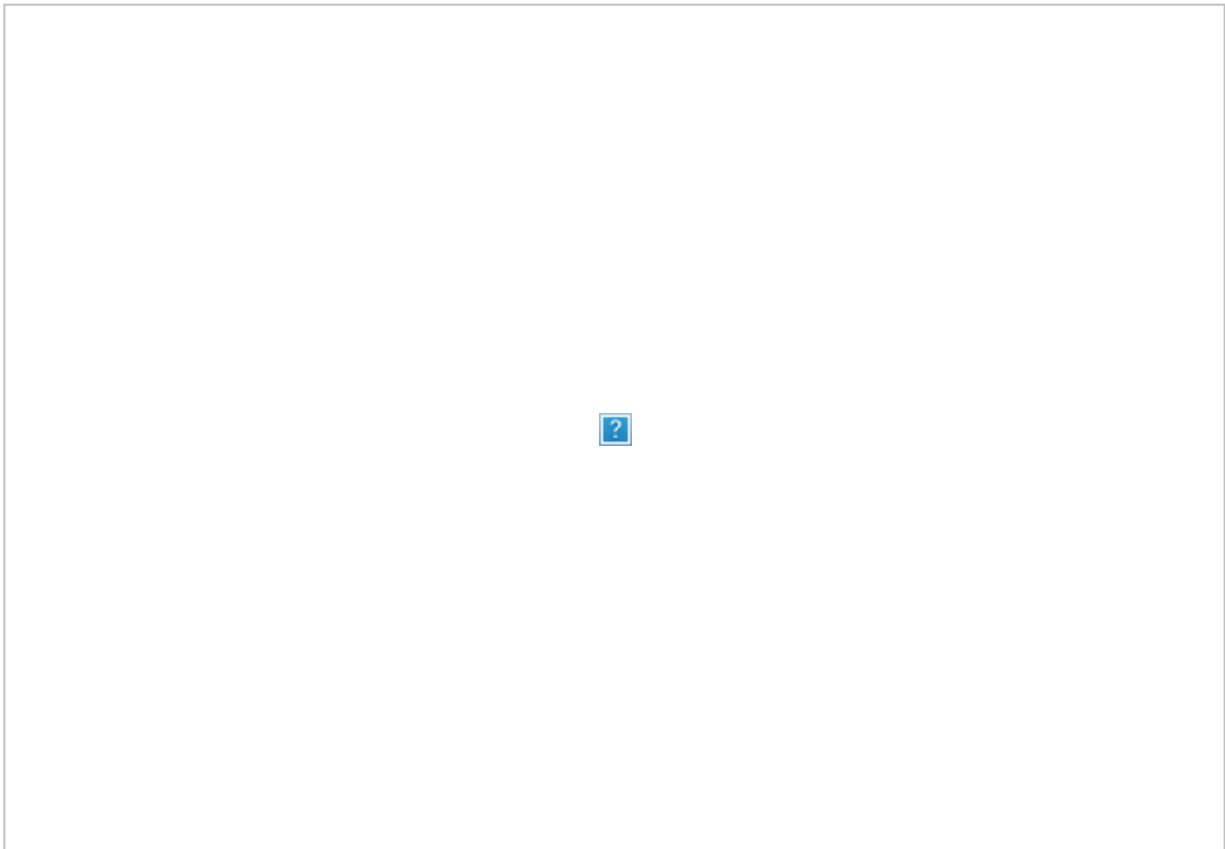

- **Buffalo:** 10 solution categories / 1 blog post per month
- **Rhino:** 20 solution categories / blogs (2) / job posts (5) / event listing (1)
- **Lion:** Dedicated mini store / 50 solution categories / blogs (4) / job posts (10) / event listings (5)
- **Elephant:** Dedicated mini store / unlimited solution categories, job posts & event listings / blogs (10)

We are running a promotion offering a generous **50%** off your first 3 months with no long-term contracts - you are free to cancel with only a month's notice.

We have so many new features planned for both the seller & buyer communities. Watch this space or email info@alertafrica.com for more details.

Search for Vendors / Distributors / Resellers / Consultancies & Contractors in the Marketplace Directory. Register for your free company listing here: <https://alertafrica.com/register/>.

Alert Africa is a community cybersecurity website offering:

- Free cyber **awareness** resources
- Assistance provided to **victims** of cybercrime or harassment
- An online **marketplace** for buyers & sellers of cybersecurity services & solutions
