

## Cyber Security Community Update

Greetings,

The **Internet of Things** (IoT) is revolutionising the way we go about our daily lives. Things are becoming more and more advanced.

However, with **great power** comes **great responsibility**. There are benefits and risks related to IoT. Ensure that you are aware of both.

**Be alert**

**#ProtectionInThePack**

Yours Securely,

The Wolfpack Team

## Internet of Things

Lately, at social gatherings, meetings, family get togethers, etc. one will often hear the term **Internet of Things** floating around. Many people use the term loosely, not really knowing what it truly entails and the ever increasing scope it encompasses, the **benefits** to our lives as well as the

risks.
